

Vertical Blind Warranty

Blinds Online (PRIVATE) warrants each vertical blind sold to be free from defects in materials, components, and workmanship under normal use and conditions for a period of 5 years

This warranty does not apply to any product that has been subject to misuse, negligence, incorrect installation, accidental damage or improper maintenance and this warranty does not cover general wear and tear. This will be decided upon at Blinds Online's discretion. It is the purchaser's responsibility to return, at their own expense, any defective goods to Blinds Online

Please note that our products are manufactured with the best quality material, however some colour fading and shrinkage are completely normal and should be expected under New Zealand's high UV levels during the lifetime of the blind
All products are quality checked and tested before leaving the factory
